I began my position with City Hall Code Compliance on Monday, September 21, 2020. My field training began the following day with Chief Carlisle. Much of our time was spent training on “reactive” violations. While I completed 14 reactive & 1 proactive visit, I am happy to report all 15 violations are now resolved. During my field training in September we also discussed the differences in “reactive” & “proactive” violations. Below is a description of violations observed during our 6 training days in September.
